**9501: To discuss/respond if appropriate to the Proposal on the future of Neath Magistrates' Court.**

The Members discussed the issue.

**Resolved:** That the Clerk should write to put the following concerns forward:

The Members of Coedffranc Community Council feel that it would be more appropriate to merge Swansea Magistrates Court with Neath Magistrates Court rather than the other way around. The Members are concerned about the travel links from the Neath Valley going into Swansea. Accessibility to a bus service to Swansea from the Neath Valley is very limited, and the connections people attending the Magistrates Court would have to make take considerable time (in some cases 2 – 3 hours travel time).

The Members find it quite alarming that the population travel time within 30 minutes goes down to 3% after the closure of Neath Magistrates Court if they do not own a car.

The Members are concerned that a lot of family proceedings take place in the Magistrates Court and query if the family matters could be heard in Neath County Court.

The Members also feel that parking would be more accessible in Neath, as parking is already difficult in the Swansea area.

**9502: To receive a request for financial assistance from Clych Ti a Fi Sgiwen.**

The Members discussed the issue.

**Resolved:** That the Council would provide a grant to cover a 6 month period (£264.60) providing that the group are prepared to take a more active approach to fund raising and raising the profile of the group to become self-sustaining, and that they attend a meeting with Cllr I Whitehead Ross at Neath Port Talbot Council for Voluntary Services to investigate any opportunities for alternative sources of funding, and receive help regarding fundraising and increasing the profile of the group.

**9503: To receive a request for financial assistance from Western Beacons Mountain Search & Rescue Team (copy enclosed).**

The Members discussed the issue.

**Resolved:** That a donation of £100 is made.

**Resolved:** That the Council would cover the costs of the jacks.

The Members discussed the issue.

**Resolved:** That the Clerk should write a letter of support to Unison.

The Members discussed the issue.

**Resolved:** That this proposal does not go ahead.

**Resolved:** That an additional storage room cannot be provided.
